

TOP 100 ANNIVERSARY CHALLENGE CENTURY RIDE

November 1 - November 30

The Top 100 turns one year old this month. Celebrate the occasion with 100 miles of your own in the Anniversary Challenge Century Ride.

THE RULES

It's simple. Complete all the designated tours in the Century Ride during the month. Riders who do will be honored with a Century Badge next to their name on the Top 100 and receive half-off the special edition Century Ride t-shirt.

TEAM PRIZES

Teams will earn 100 points for every rider that completes the Century. The team with the most points will win free t-shirts for all members who complete the ride and will be forever immortalized in the Top 100 Hall of Fame.

THE FINE PRINT

Bikes must be connected to the Internet with eLive and all rides must be reported directly from the bike. Neither team nor individual totals will be adjusted for crashes, flat tires, missed workouts, popped egos, or any other down time. Good Luck!
